Attn: Office of Initial Patent Examination's

Sir:

A corrected filing receipt is respectfully requested for the
above-identified application.

The filing receipt incorrectly identifies the filing date of
the application as April 25, 2001. The filing date of the
application should be --April 24, 2001--. Enclosed is a copy of a
"Postcard" showing the United States Patent and Trademark Office
receipt stamp dated April 24, 2001. Also enclosed is a copy of
Notification of Acceptance of Application under 35 U.S.C. 371 and
37 C.F.R. 1.494 or 1.495, and identifying "April 24, 2001" as a
date of receipt of all 35 U.S.C. 371 requirements.

Additionally we noted that the address of the second inventor

(Shoji Nakajima) is not consistent with the addresses of the other three inventors. Both the city and prefecture are listed for the other three inventors but not for the second inventor. Please correctly identify the address of Shoji Nakajima as --Otsu-shi, Shiga--. A copy of the declaration is also enclosed.

A copy of the filing receipt with the error marked in red is also enclosed.

In the event any fees are required, please charge our Deposit Account No. 111833.

Respectfully submitted,
